“ *So Sorry for your loss. Dave and I enjoyed the time we spent with Sonny during the years of the car show. Dave still remembers the balancing trailer and how your dad was having trouble balancing his truck; Dave was teasing Sonny and finally Sonny said if you think you can do better get up here and try. Dave got in the truck, drove on the trailer and balanced the truck just like that. Sonny of course laughed and said a few words to Dave (we all know just about what words) and to this day Dave doesn't know how he was able to do it but just plain luck. Car Shows with Sonny hold a lot of memories for us. We will miss him a lot. Thoughts and prayers are with you all.
