It was always good to see John come into the office here at the church, I have missed him over the last few months. I especially will miss his phone calls every so often just to check in. He was a very dear man and I am glad to have shared a bit of time with him.

“ John worked for my family for thirty years before he retired. He was one of the most humble and kind men I have ever met! I grew up listening to John whistle while he worked in the kitchen. He was known to do a little two step every now and then too! John was like family to us at the Hermitage House Smorgasbord, and we loved him like our own flesh and blood. He will be greatly missed. We know he is dancing in heaven today! May his soul be forever at peace ♡ We love you Johnny,
The Prosser Family and fellow Hermitage House employees.

“ John was our best employee at the Hermitage House Smorgasbord . He worked faithfully for 25 years for our family business . We considered him as a family member and we loved and appreciated him . We will always remember his smile and kind words he shared with everyone here. Thanks John for being my brother . We will meet again one day my friend in Heaven !
