“ *I was just thinking of Mr Julius. I met him a few times back in 2015 or 2016 when I was selling the house next door to his. I saw him outside and we chatted a few times and he invited me inside. I helped him find someone to repair some small damage on his roof. I remember him being extremely kind and gentle. He told me of his past exciting life experiences. I was just thinking of him today and looked him up and found this obituary. My condolences are extended to his family.*
