“ *“Justice” you will always be my nephew who loved to wonder, explore and build.
Just plain oh curious about the world around you!!!!
I am forever grateful for the times you saw me and said “ Hi Aunty Sondo.
As I travel the world, I promise to take you with me in my heart and call you by your name “Justice”.
I will never forget the handsome, sweet, busy, curious little boy who adored his beautiful mommy, and best buddy dad.

“ You knew I needed a friend to quietly understand so You shared your kindred tenderness when you gently took me by the hand and we sat down unraveling our candy you looked into my soul and comforted me with your smile which said no worries Aunty I got it and I just loved the idea of you wanting to immortalize a moment with me... Thank you so very much my dear Justice for intuitively confirming that you knew that I Love You and just how important you will always be to me.. You made it so delightful to be us...!!!
