“ Keith was like a big brother to me and my twin brother Marquis growing up on Stockell. I have so many fond memories of him. He always looked out for us; I remember our first day of High School, he was a Senior and Marquis and I were Freshmen, he made sure to look out for us because he knew we were nervous about being Freshmen. He is the reason I wanted to be a Drum Major. We spent so many days on the porch or just hanging outside laughing and enjoying being kids. He will be dearly missed!
