“ Kevin was always such a joy. If anyone needed anything, he was there. If a client needed help, Kevin had them covered. He genuinely cared about every person he met. I will miss hearing “Hey E!” and our chats and his smile and his hugs. He was really and truly one of a kind, and he will be missed by so many.

“ There was something about Kevin's spirit that is unlike anyone else I've met. I remember all of the good days, walking through the halls at work catching up with him. But what stands out to me are the bad days when I was tired or stressed, and he'd stop me to say hi and ask how I was doing. Kevin had a way of disarming you with his genuine kindness and positivity. I felt like he never let the chaos of the world get to him and maintained such an optimistic, caring presence that the rest of us benefited so much from. Kevin, you made a difference in all of our lives, and we'll always remember you

“ *Kevin and I worked together at Nashville CARES a few years ago. He was such a funny sweet light person. I remember this one time I was sitting in his office just chatting. I said I couldn't understand why my new sandals felt weird. He said they were on the wrong feet. I made him promise not to tell anyone. He didn't. Thank you, Kevin. Miss you.*
