“ You will be missed beyond measure! You had such a profound impact on so many lives you were apart of.. Your kindness, humor and loving ways compare to no other when being a family man.... I knew you as Larry a father figure in my younger years, confidant, friend, and someone that always could be depended on in all situations since I was 15 years old and to my children you will always be Paw Paw... How BLESSED I am to have known you... We love you ❤️ and one day we will meet again until then watch over us as you always have....
