“ Tonya was my girlfriends BEST FRIEND/SISTER and a dear friend of mine. Tonya had one of the biggest personalities you would ever come across. Never a dull moment with her. So many memories stand out but will never forget our rides on the interstate with the radio all the way up,you copying old Diane singing DROP THE TOP IN MY WHIP,lol. You were always so full of life. All u and shanteena had to do was look at each other and you would laugh for hours,and the Times you would sit on the phone and listen to me carry on about her. One things for sure,you will be greatly missed. We still sometimes wait for the phone to ring and pray it's you on the other end. I love you Tonya. Until we meet again. Rest easy girl.
