“ *To the Atkins family, we grieve with you over the loss of Len. We worked with him as an agency and thought very highly of him. Len was a dedicated, honorable person and will be missed by so many in the insurance industry where he worked so tirelessly to serve so many. “ No person is ever truly alone.
Those who live no more,
Whom we loved,
Echo still within our thoughts,
Our words, our hearts.
And what they did
And who they were
Becomes a part of all that we are,
Forever.

My prayers and thoughts are with you. May God sustain you through this difficult hour of bereavement.

“ to the Atkins family God
We all need a time to grieve quiet time for reflection to sift through memories and come to grips with what has happen. We all need a time to just "be" and let the reassurance of his love to start to heal our broken hearts. Praying for the family

“ Len and I worked together @ Zurich.
He was a very good worker and cared a lot about the future of this country. I enjoyed talking with him about politics and patriotism as well shop talk. He talked about his family and how much a close family meant to him and was concerned about the disintegration of the American family. He was a very fine person that was taken from us too soon.
I will miss you Len but you are with a much better person now in a much better place.
