“ *We laughed often and much;  
She have won my respect and of intelligent people in the early  
childhood field;  
the affection of children;  
She appreciated honest criticism  
and the company of good friends;  
appreciated beauty;  
found the best in others;  
always wanted to leave the world a bit better  
whether by a healthy child, kind advise; thru laughter;  
to know that her humor made life easier  
because she lived here.*

*Thank you for a bouquet of beautiful memories. The Lord be with  
you and  
may you rest in peace.*
