“ *I want to take a moment to celebrate the tremendous person that I got to know, for a brief time, while she was a student in several of my law school classes. I remember well how Mandisa made each class better with her cheer and goodwill, not to mention her sharp mind and diligent preparation. She dreamed of going to law school, and when she forged the opportunity to do so, she embraced the experience with consistent and infectious enthusiasm. It was a true privilege to share a classroom with her. My heart goes out to her family and friends.*

“ *Mandissa=Love.*

She was one of the most amazing people I have ever met in my life. I once heard in a sermon that if you don't receive reciprocity in a relationship then its an assignment. She was no where near an assignment. She definitely filled me up with what I shared with others in the world. Such a Blessing in my life. We shared our testimonies of life together and encouraged one another. Hard to find these days. I can go on and on of how she was just a GREAT person. She loved the Lord and her family. I pray that God continues to provide for more than what is needed for her family not just during this time but forever more. I love, and miss you and you will always be remembered in my heart. MMMMMMMMMM. (in her voice)

*Blessings,

“ *Mandisa worked for me at AT&T in Minneapolis. It was such a great pleasure to have on my team. Her smile was infectious. She was a very determined and motivated law student and mother. I was so proud that she followed her dream. She will be greatly missed by all. May God give you peace during this very difficult time, sending prayers to you all.*

“ My sincere condolences go out to the family. Mandisa was a ray of light and her spirit was always warm and welcoming. We worked on the same team for a while at AT&T. I was super happy and proud of her for going hard after her dreams. She will be greatly missed, I'm still trying to figure out how things like this happen to really great people.
