*“ I’m going to miss Margie dearly. We spent late nights talking and laughing about life. No matter if I was stress or feeling down that she wouldn’t lift me up and put a smile on my face. She wasn’t just one of my staff at night, she was a friend. I will always cherish our memories on nights and she holds a special place in my heart. I will always love her and keep her close to my heart. I send my condolences and prayers to the family in this time.
