“ *I am saddened to hear of Mrs Bowman's passing. I always enjoyed caring for her over these many years--and her husband John, as well. She was always smiling and cheerful no matter how much she was struggling inside. I will miss her greatly but am glad that her struggles are over and that she is at peace.*

“ *Marian.. My friend and neighbor. Marian one of the best, most wonderful people I have been fortunate enough to really learn from and enjoyed being with. The caring and true dependability we... As neighbors and as families is insurmountable. It was just all of us that really cared and always there with no judgment. I will continue to love and care for the family because Marian taught me how important family is and showed me on a daily basis. I will miss you and love you forever.* ”
