“ My earliest memory of Marilyn was waking up to her snapping early one morning about Rodney King, when I stayed in imperial gardens apartments. Late 90's sweetest lady you'll ever meet until you tick her off. R.i.p marilyn gone but never forgotten.

“ *Marilyn,
I remember you open your door to me. I spent many days, nights, weeks there. It was me, you, Felicia, and all the kids. Those were good times. I just wish I would have stayed in contact, because I never knew you were not well. When I would see you at Jeff's you always said you were doing good. I know God has gained an angel, so I'm pleased to know you will rest, until I see you again.*
