“ *My heart is breaking for this loss. My friend Kim and I were very good friends and her mom was a very special woman . I knew her mom since we was in high school together. I am so sorry for your loss. Your momma was a good person, friend, wife, grandmother, and most importantly she was a wonderful mother. She always treated me like family. I was very sad to hear of this news. I am going to always remember her as the woman she was. I loved how I would run into her all the time at the store, and we would always talk about everything. She would always say to me that she missed me. God has gained an angel, she is up there looking down and smiling. I am deeply saddened, and heartbroken. Kim my thoughts and prayers are with you and your family. May God Bless You All.*
