“ My beautiful mom as sweet as candy and as mean as a pitiful bull  
when it came to her family. You were the light wherever you went  
and it will continue to shine on through me. Ill always remember you  
for taking care the business and being yourself Mae Lou! Who  
everybody loved! All I can think about is you trying to turn around to  
see me after I told you it was me. May your spirit rest with the lord in  
peace but you'll live forever through me and my siblings, I love you!
