“ I was so sorry to hear of Mildred's passing. Mildred and I were friends in high school and although it's been quite some time since I've seen or talked to Mildred, memories of our high school days have never left my heart. She was a beautiful, smart and caring person. Rest in peace my friend. Family, God bless and sustain you doing this time of bereavement.

“ I am so sorry to hear of Mildred's passing. I will always remember the fun times we shared as well as the solemn ones. Though it has been many many years since we last met, I have smiled and thought of my high school friend so many times. I am glad to know that she lived a full, good and blessed life that brought joy and love to those she met. Farewell my friend. Did we not have a great time!!! God be with family.

“ To The Family, We are sorry to hear of the loss of your loved one. Mildred was a beautiful, loving person. But remember, God has a purpose in our heartaches, the Savior always knows what's best; we learn so many precious lessons in every sorrow, trial, and test.

All things work together for good to those who love God. Romans 8:28

“ Our hearts are deeply saddened at the passing of such a beautiful flower. I first knew Mildred in 1963 as freshmen at Wilson County High School. From that day to this, she has been a very special friend and a wonderful human being who was beautiful inside and out. We shared many memories from WCHS, and as adults. She and her husband Larry were a joy to be around and we know that God makes no mistakes. May she rest in peace and wake up in paradise, where all things are new, no more pain, no worries, only tranquility and eternal life. My prayers are with the entire Jeanette family and your comfort is in knowing that blessed are the dead that die in the Lord.
