“ God speed to you Paul V. Harris! Wish you could have spent more time here on earth with Melody and your two Great Grandchildren, Brooklynn and Brock! We will miss you so much. We know you are in a better place and at peace and smiling while standing alongside Goldie, your wife of many years.
We will do our best to keep your legacy alive in Brooklynn and Brock.

Melody, I love you so much. You have been through a lot in your young years and have had to grow up so fast. I am here anytime you need me, day or night. May God hold you in the palm of His hand to keep you strong and remember it is OK to grieve.

all my love, Moma (Vickie)
