*“ I have known Mom I called her all of my life. She had always treated me like her daughter and nothing less. Whenever I rented from her and Dave they treated my children like their grandchildren. Jeremiah would called Dave granddaddy And that all he knew them as granddaddy and grandmama I will miss her but she is with the man she loved who she loved to argue with. That was the way they communicate and after that Daddy Dave say let’s go and she said okay. Love them both but I know God has her and it will be no more pain or suffering but it still hurts. Bye mama will see you again if it is the Lord will love you*
