“Perry was always my protector through my teen years at the video store. He helped when my Mustang broke down; kept me company and fed me during 10 hour shifts; never made fun of my basketball bench sitting years; welcomed me at every party field; and always made me laugh. Perry always told it to me straight-no sugar coating-because he knew what I needed to hear and know. Perry's belief in God was clear in his actions and good deeds. I can't believe he is really gone from this earth at such a young age.

Perry met my son, Hayden, for the first time on July 3. This was the date of Hayden's birthday and Todd's visitation. Perry insisted Hayden take some cash he slipped to Hayden during Todd's visitation. Hayden tried to refuse, although he appreciated the kind gesture. You don't refuse a gift from Perry Bell. He gave with his whole heart! Perry was the most thoughtful, generous, kind, and loving person I have ever known. The world is better because of Perry Bell. He was a friend to everyone...very well loved! I haven't seen him often lately, but I knew he was there. I miss him so much! I pray his family will find comfort in Perry's legacy, faith in God, and great love.

“Perry you were such a kind sweet loving man and you were loved by so many and will be missed by many, you will forever hold a place in my heart. Some of the best memories were the cookouts and watching you play cornhole and you were the one that couldn't be beat. RIP Perry your work here on earth was done. How wonderful the world would be with more people like you. Love you sweet man until we meet again, and may the Lord watch over your family and comfort them through this time.

“On behalf of Pastor Arneal Strain and the Friendship Missionary Baptist Church, congregation in Cross Plains we have lost a wonderful person. Always a smile, kind word, and maybe a joke to make you smile. Dedicated member in our church, blessed us with his singing in the Male Chorus, and always lending a helping hand. We will miss you Perry, but God has chosen a great angel. Keep singing and we'll see you again one day.
