“ Granddaddy you were my rock and I thank God for blessing me with a granddaddy like you. I remember over the last few times I came over you kept telling what to do if something happened to you and I did exactly what you asked of me. Thank you granddaddy for trusting, caring, teaching, and loving me. I am really hurt and wishing you were still here but I know you are in a better place. I love you Granddaddy.--- DAMIEN Seay

I have tried to think of something to say about my uncle Charlie and there's no words that I can think of to express the kind of man that he is. What I can say is phenomenal due to he always had a smile on his face through the good and bad times in his life. I wish that I could take this drive from Kansas back to Tennessee to be with the family to honor my uncle. This is why we need to get the reunion going again so that we can honor those that came before us and to get that history.

“ My grandfather was and will always be amazing man . i have so many grat memories like how i would love to run and sit in his chair when i knew he was coming home for lunch to watch his favorite chair and how he taught me to play checkers. and how he would wake me up at 5:00 am and say gal its time to get up. and hearing his rooster in the morning and him telling me that is my alarm clock. lol so many wonderful memories that i will keep close to my heart always and for ever. I Love You and Miss you so Much.
