“ Robert L. Turner, you were more than a Friend and a Classmate, you were a Brother to me. As I write this I am flooded by so many memories of us growing up and becoming Men. How excited and Proud I was when I found out we both had become Grandfather's . But What I will never forget is you were there when I needed Strength and Leadership. So many lessons we learned and so many laughs we had together. Our Crew will never be the same without you. God Bless your Children, Grandchildren, and Family, may God give them Comfort and strength and may they never forget the Strong, Loving Man you were. Godspeed my Brother till we meet again. Hugh ❤️

“ To the Turner family. I express my condolence for the lost of you baby brother. It seems like I'm a part of the family since childhood Sherli was/is like a sister to me. God will comfort you all thru it all, late in the mid night hours he hears your silent tears. Robert lived his life here on earth and now God has him in his glorious eternal home. Glory to God for his everlasting "Love". You all have a great support system and was raised to respect and love one another. God will protect and keep each one of you in this time of sorrow. Love Brenda

“ Robert, the last child born to Archie&Lola Turner. He Was so welcomed into our family and so loved. He was only two when we lost Dad, and in the midst of it all , Mother showed such resilience and resolve. All of his sibilings tried to fill the gaps with love, guidance and the best example we could. He will be forever in our hearts and mind. We love you baby brother and always will. We all tried to sing like our parents, they were the template that we aspired. Rip my baby brother. Love you forever. Andrew Cornelius Turner
