“ Sissy, I’m so very sorry to learn of Roderick’s passing. I know I haven’t seen you in a long while but I still think of you so fondly. I remember Roderick from when he was just a small boy. He was so adorable and so sweet and as he grew he grew in to a handsome young man. My heart, love, and prayers go out to you and all your family Sissy ❤️

“To live in hearts we leave behind is not to die.”

~ Thomas Campbell

I know you will live on in all of us who loved you. And most especially, in Navaeh.

I hope you're flying high, sweet Angel.

And you will be so missed.

“ I remember Rods cheerful smile as he showed up at my house with Tracy. They were there to help me after I'd had surgery. Rod said "what you need help with" I said can you paint my stair rail for me. Well he made me chuckle as he spent nearly 2 hours trying to paint this very very small outside stair rail. He asked me " this paints not very good! I keep painting and painting and it's not covering the wood". I looked at the can of paint and said Rod you need to stir the paint. bless him he'd been painting for two hours with just the top oil that sits on the surface. But he done every brush with a smile and his laugh. RIP Rod
