“ *Some many memories. My brother Ronnie was the first grandchild on both sides of the family and he was spoiled to the core. My sisters and I had him really spoiled in his later years. We created a monster. lol The only boy the oldest. Ronnie was smart, very intelligent, great speaker, and a great guy. He will be missed. The late night phone calls when he can't sleep. Rest on my brother and I love you. Give Bern and Mama a big hug for me. Your middle sister Annette*
