“ My condolences to the rest of the family.

It took me a while to find the right words. You would think there was enough time to prepare something appropriate to say, but for a tragic situation like this, the moment is never right and words just fade away in disbelief, when you're caught by such a devastating surprise.

This was not on my storyboard, and I really wish the circumstances could have been different. But I'm old enough to know now, that life moves in mysterious ways. You can finally leave the struggle you had to go through behind.

Now that there is nothing else left to say, I'll let you go without any hard feelings and say good bye with some of 2Pac's words:

„I Ain't Mad At Cha“, never was.

Say hello to heaven, and I'll see you when I get there.
