“ Let not your heart be troubled. Ye believe in God, also believe in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know.

“ You're spirit and presence will truly be missed. Of all the memories that I have of you, I'll always remember the many sleep overs at Lai and Vek's. You and Vek would torment me and Lai but then you'd come and help us get Vek back. That smile, laugh, and your overall aura can never be forgotten. Sleep well...

“ I'll never forget about all the fun times we had growing up, all the late night swims at the house no matter how cold it was, all the wrestling we would do with Rico throwing us around the room , jumping off bunk beds and getting yeld at by Aunt Tasha. Acting like spy's crawling around the house and listening to Eunnetta talk on the phone. Eating all the plan chips and pop corn with hot sauce at 2 or 3 in the morning. And all the crying we would do when we couldn't stay at one another's house. Miss those days and I will miss you. Memories last forever. I Love You Cuz, and Family.
