“ I'm so sorry to see that sweet Rose has left us. She was the kindest, most thoughtful, friendliest and beautifully smiling friend to so many. Her relationship with my Mom as her hairdresser and friend so many years ago allowed me to see that smile and hear her laughter on Saturdays. I know they are talking with each other even now. Praying for God's peace and strength to cover her family and friends through this journey.

“ *Sympathies to the family. Rosie was a special part of our Tai Chi class every Friday at the Senior Center. She was always smiling and fun to be around. Rosie could tell some great stories about her years working at the hospital...and a few about she and Roger raising their boys. We have missed her for a while and knew she was sick, but we were not ready to hear she had passed. She was a sweetheart!*
