“ *Mother Sweeting from the time I stepped foot at NDCF she has been kind, loving and supportive towards me. I'm really gonna miss her. She sat behind me every Sunday and would say things that really had me laughing or put a smile on my face. She told me that she loved my food, so I continuously at her request brought her plates of food. She told me if I give you back your containers, that means you have to fill it back up again. She indeed had a way with words. We shared many laughs and I love her and will dearly miss her. She was indeed an jewel. Praying for comfort and strength at this time for the family.*
