“ Oh Trice...my first friend after we moved "across town." From McClain School as a 5th grader, to kicking it with the Hobbs Avenue gang hanging out "on the corner" in front of your house waiting for something to happen (or for our parents to make us come in-- whichever came first); traveling with you and your parents to Ronnie's games, eating Gondola pizza at your house, wearing our first pair of "Converses"--you with the red ones and me with the blue (trading one shoe with each other so we each had on one blue and one red--LOL).

...and then there's the high school years. They actually let us DRIVE! LOL! The way you tried to look serious when you said "Benita, don't you do that," and then broke out into that famous laugh of yours, since you knew I was probably going to do it anyway. You were always the cautious one who TRIED to make me behave! Thanks for being the voice of reason. Lebanon High School football games and "Fifth Quarter," hanging out with "Sweet" and "Old Man;" our year at U.T. Martin, the list goes on...

I should give you (and the girls) credit for all the fun I had being a high school teacher. I never had behavior issues in my classes because everything my students tried, we had already done it! I knew what they were going to do while they were still thinking about doing it! LOL!

My condolences to Mrs. Ann, Ronnie, "the girls," and the entire Lebanon community. Definitely gone too soon. I love you and I'll see you on the other side girl.

“ Trice and I were in VOE and Class of 77. We worked together on 40th class reunion. I always felt close to Trice. She found out about her cancer a few months after mine. I grieve her loss just wished I knew she was so sick. My prayers for the family I'm in quarantine right now or I would be with you in person 🤔🙏
