“ I remember when he was born, me and his mom have been friends for a long time. I haven't seen this young man since he was about 4 years old because they had moved away. I'm so sorry for the loss of his life but it's not the end because God says in his word that we all will be together again one day. To the family you all are in my thoughts and prayers. I love you Virginia Shaw. Your Friend always Tamela Anderson and family❤️
