“ *Ted and Kathleen made a great couple with a marriage that lasted decades. Ted, my brother-in-law, always had a cheerful demeanor which I admired the most and fun to talk with. We had gotten together for a lot family event until they moved to Tennessee.*

“ *I remember way back when they lived in Arlington, TN I came for a visit. Being a northerner & Italian like him, he took us all out one night for a delicious Italian meal. He knew I would be impressed & he was right! A very thoughtful gesture & I will never forget it!*
