“ *Preston was the best neighbor anyone could ever have. He was always willing to lend a hand and share his wisdom about life and happiness. His eyes would shine bright with excitement as we talked about our love for cars. Although my wife and I moved over 600 miles away more than ten years ago he would keep me informed about how the neighborhood was doing and we even caught up a few times when his trucking travels brought him my way. We will miss that smile, that laugh, we will miss our best neighbor ever. Rod and Monica Parker*
