“ I will truly miss you Brother Cool. I looked for you every Wednesday Bible class to give some inspiration to the class. You could always quote from the Bible a scripture that could help us solve whatever the situation was. Still in shock from the way you left us but I know you're happy. Love you, Sharon.

I love you Papa 😭 I will carry out last conversation with me and continue to grow spiritually while hearing your voice in my head asking me what does God mean to me!? I wish we had the opportunity to know what was happening so we could have been there and not found out how we did by looking it up. I wish she had called us to inform us so we could be there with you. Now you and Mama Eula are back together as ONE. We love love love you. Now you both can rest, 🙏🙏
