“ Love ya brother. I will never forget our times of running Southside elementary and junior high school. I wish I would have got to spend some more time with you recently but know you still had the great heart that you always did. We will meet on the other side Travis.

“ *My heart and love goes out to my grand daughter, his beautiful children, her mother, brother, uncles, aunts and her other granny Miss Shirley whom has been apart of my family for awhile. To know Travis is to really love him. He had that kind of affected on many people. He was just a beautiful person. I will miss him dearly, his laugh and smile. My heart is so broken for the pain and your loss. I will keep each one of you in my prayers and in my heart.*
