“ *Mother Hen he called me... he always had me laughing. And I him. He came to my house daily to chill with Dale. And Dale was always seen in his Wheel chair going to spend time with him... He would joke and say Mother Hen don't play. He'd cook for you. And we would for him. He didn't take no mess. And didn't bother you unless you started it first. He loved his children and their children. All his family and friends every time I pass his house and while in my own I will always think about my friend... Our Friend.. So sorry and in shock over this loss. All out love.... Jennett & Dale & Daleshia Williamson*
