“ Well, I was just thinking about my old friend, that I also called "Ole Man", and saw he had left He affectionately called me "The Little Woman", which was cute, since I wasn't his wife. He was a sweet man, and what appeared to be a good one, too. I didn't really know him personally, but he helped me occasionally, when I was working near his house. And, last time I said "good bye Ole Man", to him, his family had said they hoped he would live to be 100. Well, Ole Man, you showed 'em, and then some. I thought you would make it. I know you're happy to be back, with your long passed family, through so many years, and generations. You showed them all, my friend. God rest with you, and your soul. ~ Your long ago friend~ "The Little Woman" ~xO
